

*Connected is Thankful for your Referrals*

This holiday season, we want to give back to our customers and our community through a special referral program.

For every referral of a new customer that closes by the end of the year, Connected will credit \$100 towards your next bill **PLUS** donate a turkey dinner in your company's name to a local shelter or food pantry.

*The truth is that 1 in every 6 individuals lives in poverty and struggles with hunger in the greater St. Louis region, including more than 172,000 children. Right now, millions of Americans are at-risk for hunger. Often, they are hard-working adults and seniors who simply can't make ends meet. On a daily basis, they are forced to choose between the daily necessities of life such as paying rent, having adequate health care, or buying food. For them, the thought of obtaining their next meal isn't comforting but stressful.*
